VII. SELECTION PROCESS

The selection process will consist of:

A first phase, in which the merits accredited by the candidates will be assessed, as set out in point VI.

The sum of the different scores obtained on the accredited merits will give a result that will represent the score achieved, thus obtaining the list of scores that the Selection Board will publish on the website of IIS

La Fe. From the day after the publication, the interested parties will have a period **of three (3) working days**, to present their allegations.

These allegations must be made in writing to the IIS La Fe, located at Avda. Fernando Abril Martorell, 106 Torre A, 7th floor, 46026 (Valencia), indicating the number of the call and the reason for the complaint.

A **second phase** in the event that the difference between candidates is equal to or less than two points, which will consist of an interview.

The Selection Board may ask applicants about the competencies of the position, as well as their work experience in positions of similar category. They may also carry out the tests they deem relevant, provided that they do not represent discrimination or unjustifiability restrict competition.

In the event of a tie between candidates, it shall be decided in the order set out below:

In the first place, in favor of the applicant who has obtained the highest score in the different sections of the competition scale, in the same order in which they are listed.

If the tie persists, the person with functional diversity will be considered, secondly, and if the tie occurs between said people, the person with the highest percentage of disability accredited will be chosen.

If the tie persists, it will be resolved, thirdly, if the tie were between people of different sex, in favor of the sex that is underrepresented, within the group of people who are part of the group or professional category summoned.

Finally, if the tie still persists, it will be settled finally in alphabetical order of the first surname of the tied applicants, beginning the aforementioned order with the letter B according to the result of the draw held on April 10, 2017 (DOGV 8034, 08.05.2017) or later to replace it.

The Foundation, for duly motivated reasons of interest to the entity, may withdraw at any time from the resolution of this call.

VIII.- RESOLUTION OF THE CALL AND PUBLICATION:

At the end of the selection process, the Selection Board will submit to the convening body the list of the person selected and the substitutes in order of priority according to the final scores obtained, who will issue the corresponding resolution granting the position, which will be published on the website of the IIS La Fe.

The person selected for the position will shall have a period of **three (3) working days** from the next working day following the date of publication of the resolution to present the original documentation accrediting the requirements required in the call for applications and in accordance with the applicable regulations.

In the event that, after the end of the above period, the requirements established in the call for applications are not accredited within the established period, a resignation is presented, or it has not been possible to contact the selected person, the body may grant the position to the next substitute indicated in the resolution, if he/she accredits compliance with the requirements of the call and with the applicable regulations.

The selected persons are warned that the inaccuracy or falsity of the data and documentation provided will result in the cancellation of the contractual relationship established with IIS La Fe, assuming the legal consequences that may arise from such action.

If, once the employment contract has been formalised, the person hired under these terms and conditions causes voluntary resignation, does not pass the probationary period, is temporary incapacitated, on leave of absence or in any similar situation, he/ she may be replaced by the next substitute of the resolution, in order of priority according to the final score obtained in the assessment resulting from the call for applications, if he/she accredits that he/she meets the requirements of the call for applications and complies with the applicable regulations.
