

CONTRACT Ref:81/2020

Requirements to participate in the call:

- Have Spanish nationality or work permit, or some other nationality that allows access to public sector employment. If you do not have it and this person is selected, the contract will not be formalized until the corresponding documentation is in order. In the event that this procedure is not finally completed within two months of the grant the selected person cannot be hired; leaving, in this case, the square deserted or referred to the next person in the event that priority order has been given in the Resolution.
- Be 16 years old and not exceed, where applicable, the maximum age of forced retirement or the other age that you may establish by law.
- The applicant will be bound by TEMPORARY WORK AGREEMENT with the Foundation for Health Research of the University Hospital and La Fe Polytechnic for the period determined for the research project. This procurement is subject to the granting of the relevant administrative authorisation.
- The Foundation and/or the Tribunal, for reasons of interest to the entity, may at any time withdraw the resolution or cancellation of this Call, without any justification.

Research Project Title: PRIMAGE. PRedictive In-silico Multiscale Analytics to support cancer personalized diaGnosis and prognosis, Empowered by imaging biomarkers.

IIS La Fe has decided to publish a call for a job offer, by a competitive procedure, for a University degree Medicine and Pediatrician specialist, to perform the tasks in the framework of the Project.

PRIMAGE proposes a cloud-based platform to support decision making in the clinical management of malignant solid tumours, offering predictive tools to assist diagnosis, prognosis, therapies choice and treatment follow up, based on the use of novel imaging biomarkers, in-silico tumour growth simulation, advanced visualisation of predictions with weighted confidence scores and machine-learning based translation of this knowledge into predictors for the most relevant, disease-specific, Clinical End Points.

Service/Unit/Accredited Group: Pediatric Oncohematology Unit and Biomedical Imaging Research Group (GIBI230)

Candidate requirements: *(All requirements are necessary to apply):*
University degree Medicine and Pediatrician specialist

Merits to value: *(0-5 points)*

- Experience in pediatric cancer care, minimum of 1 year. (1.5 points)
- Experience in neuropaediatrics. (1 point)
- Fluency in English minimum B-1 (1 point)
- Master in Biomedical Research (1 point)
- Member of AEP and SVP (0,5 points)

Curriculum vitae and Academic Track-Record *(0-2 points)*

Curriculum vitae (0.5 points)
Academic track-record (1.5 points)

Other Merits: *(Complementary Training)* *(0-1 point)*

- Computer knowledge (clinical and imaging data bases). (0.5 points)
- Health statistics knowledge. (0.5 points)

Interview *(0-2 points)*
